Some useful reminders.....

Van Cols the Photographer will collect the orders on Wednesday 18th October 2017, please don't forget to return your orders to the school office, if your order is late you must pay an additional delivery charge.

We can no longer accept old £1 coins, this includes school dinner payments.

We would like to thank all our children and families who kindly donated items for our Harvest Festival. Caring Hands attended our assembly on Thursday and were very grateful. If you would still like to donate non-perishable food items Caring Hands will be returning next week to collect again.

The last day of this term is Friday 20th October and children should all return to school on Thursday 2nd November.

With very best wishes

Kim Parnell
