Dear Parents and Friends

Thank you all for your amazing support at our sports day on Monday. I know a couple of you felt disappointed that you could not take your children home early but in such a large school it is not logistically possible for us to account for every one and keep all our children safe if we sign them out in dribs and drabs. All comments, both positive and negative will be reviewed in the light of next years' planning so thank

you for your valued feedback.
