17th September 2021

### **Parent consultations**

Parent consultations will be taking place on Tuesday 12th and Thursday 14th October, between 3:40pm and 6pm. This is an opportunity to meet with your child's teacher and look at their work. Please complete the slip at the bottom of the letter that was sent out yesterday to indicate the time that you would like to attend.

### **Trips**

We are starting to organise local year group trips and visits, to enrich our curriculum and give our pupils memorable experiences that link to their learning. Please ensure you sign and complete consent forms if they are sent out to you. We may ask for a voluntary donation to cover costs and make it possible for the trip to go ahead.

### **Welcome back!**

We are delighted to welcome back Mrs Bayliss, who previously worked at Balfour for a number of years. She will be joining our Midday Supervisor team from Monday.

### **Traffic outside school**

We have received some reports of parents stopping on the yellow zig-zag lines, parking across local residents' drives and pulling up onto the pavement to let pupils out of the car in the morning and after school. This is incredibly dangerous and could potentially cause an accident as it is very busy outside of school in the morning and at the end of the day. Please be considerate of other drivers and especially mindful of driving safely to protect the pupils and parents as they travel to school.

### **What a superstar!**

This is Scarlett in Year 5, who is an Aerial Hoop superstar! Scarlett has been practising her skills on the aerial hoop for a few months now. She really enjoys doing tricks on the hoop and has developed excellent strength while training. Scarlett's favourite move is called Birds Nest. Keep up the good work Scarlett!
