## Jubilee celebrations

We will be celebrating the Queen’s Platinum Jubilee on Friday 27th May, with a morning of geography and history activities and a tea party in the afternoon. There will also be a special themed school dinner, which can be booked on the day. The children can wear their own clothes on this day, with a red, white and blue theme. We hope it will be a fun way to end the term and celebrate this historic event!

## Congratulations!

Well done to Amelia, Elodie, Laura and Rory in Year 5, who have all achieved their Silver Award at Cubs. To achieve the award they had to earn all of their challenge badges for demonstrating skills in areas such as teamwork, team leadership and camping. This is a fantastic accomplishment and we are very proud of how hard they have worked!

## Warmer weather

As the weather continues to get warmer and we have

more days of sunshine, please remember to ensure your child brings a bottle of water to school each day. Balfour water bottles cost £1.55 and can be purchased on ParentPay then collected from the school office. Please also apply sunscreen when necessary and provide a hat for your child to wear when they are outside.

## Year 3 topic

Year 3 have been busy this week, tasting fruit as part of their DT topic to design and make smoothies. The children enjoyed tasting a range of fruits and used what they discovered to design their smoothie recipes. Year 3 also visited the local Co-op to learn about Fair Trade. The children in 3 Lowry told us “Fair Trade means that farmers are paid a fair price for the food they grow. This means they can afford to pay their rent and for food and education for their families and avoid poverty. Some of the money also goes towards improving farms and community projects.”
