Balfour Junior Academy Newsletter

Friday 20th November 2020

★ Superstar of the Month! ★

My name is Sriya Sripratheepan and I started karate lessons two years ago. My club's name is England Red Tiger Shotokan Karate-Do Federation. I have achieved 6 belts in karate – white, yellow and white, red, orange, green and white and now green. I have participated in several karate competitions where I was awarded a bronze medal! I am enjoying Karate very much and would like to continue to achieve more belts and medals.

Are you a superstar, or do you know someone who is? We'd love to hear about any wonderful achievements in the fields of sport, arts or service to the community, please get in touch!

Be Bright, Be Seen

Balfour has been lucky enough to be chosen as one of the schools in Kent to receive FREE reflective keyrings as part of the Be Bright, Be Seen campaign, in conjunction with KMFM. For more information about road safety, please visit www.roadsafetyweek.org.uk/

And a special mention goes to...

The parents of pupils in 4 Hopper, who were nominated by Mr Williams this week for the Achievement Award, for their positivity and support during a week of home learning. Thank you as well to Mr Williams and all of the staff who have kept in touch with Hopper and attended their online meetings and assemblies, showing true dedication to the wellbeing of the children 😊
