Home learning

Well done to all of the pupils and parents & carers who have done such an amazing job with their home-learning this week—you made it to the end of the 4th week of term, which can often be a tough one! If there is anything you need that we can support you with, please contact us and we'll be happy to help.

Please remember as well that baking, birdwatching, puzzles, board games and gardening are also very educational and provide a much needed break away from computer screens.

(learning fractions by eating pizza is one of our favourites!)

Also, please keep on reading at home as much as you can. The Oak National Academy now have a virtual library and every week a popular children's author or illustrator will provide you with free books, exclusive videos and their top three recommended reads.

You can access the library here: <https://library.thenational.academy/>

★ What a Superstar! ★

Well done to Alessio, who has won an award for player's player of the year!

He's been playing for Anchorians FC Panthers since September 2019. He is a striker for his team and was chosen by his teammates for the award.

He absolutely loves football and cannot wait to get back on the pitch soon to score more goals!

A fantastic achievement Alessio, well done!
